Directions to Galveston County Office Facility in Carbide Park:

Carbide Park is located next to the La Marque/Hitchcock city limits on FM 519 (Main Street) approximately 1 mile West of the intersection of FM 519 and Interstate 45 (Exit 10).

If coming from the Galveston area on Interstate 45:

1. Take Exit 10, travel to the first signal light (FM519), turn left and go under the I-45 overpass and through the next signal lights until you come to a stop sign..
2. At the Stop sign, turn right, and at the next Stop sign, turn left (which is FM 519).

If coming from the Houston/Clear Lake area on Interstate 45:

1. Take Exit 10, slow down as you are coming off the exit ramp, and immediately move to the far right lane.
2. Watch for FM 519 Spur, which is a turning lane to the right, and will be BEFORE you get to the intersection with traffic lights (taking the Spur will put you directly on FM 519).

If you miss this turning lane, go to the traffic light and turn right, go a short distance to a Stop sign, turn right again, then left on to FM 519.

The entrance to the park will be on your right in approximately one mile.
A set of yellow caution lights is at the Carbide Park entrance way.
