**life** is why™

**Why Child Care Providers need this training?**

- \*Meets regulatory requirements for child care providers
- \*Gain confidence to respond well in pediatric emergencies
- \*Develop skills & know-how needed to assist adults, infants & children in a wide range of life-threatening situations.

**Benefits of Training:**

- \*Video-based course ensures consistency
- \*Instructor-led, hands-on class format reinforces skills proficiency
- \*For learners who prefer group interaction & instructor feedback
- \*One manual per participating child care center
- \*BLS certification e-card for each participant completing the training

\*Heartsaver First Aid CPR AED is a classroom video-based, instructor-led course that teaches students critical skills needed to respond to and manage an emergency until emergency medical services arrive.

\*This course teaches skills with the AHA's research-proven practice-while-watching technique, which allows instructors to observe the students, provide feedback, and guide the students' learning of skills.

# CPR FIRST AID AED TRAINING

Hello Child Care Providers, Head Start Teachers and Directors,

You are invited to the “Life is Why” American Heart Association First Aid, CPR and AED training to be held Saturday, March 9, 2019 at the Galveston County Texas A&M AgriLife Extension Office, 4102-B Main Street (FM 519), La Marque, Texas 77568. Two classes are available. The morning class is 9:00-11:30 a.m. with sign in starting at 8:00 a.m. The afternoon class is 1:00-3:30 p.m. with sign in starting at 12:15 p.m. The fee is \$30.00 per participant for **2.5 clock hours** of continuing education training, one manual per child care center and one certification e-card per participant completing the entire training. Completion of the class requirements include attending the entire class from beginning to end and completing and turning in the evaluations.

Be part of this training which is designed to meet OSHA requirements and covers first aid basics, CPR and AED skills for adults, children, and infants. Take advantage of this ideal opportunity to earn a basic life support (BLS) e-card certification in an instructor-led, interactive, hands-on environment. We welcome American Heart Association instructor Nancy Langston-Noh, a registered nurse with 23 years of hands-on medical and instructional experience. Nancy will be covering the following course contents:

- First aid basics
- Medical, injury, and environmental emergencies
- Preventing illness and injury
- High-Quality infant, child and adult CPR and AED use
- Demonstrate when and how to help a choking infant, child and adult

Certificates awarding **2.5 clock hours of credit** will be given to each participant at the conclusion of the training. **Participants must stay the entire 2.5 hours for complete credit to be given.** No one will be allowed in the training after it starts.

Registration with payment must be postmarked or received in the extension office by **February 25, 2019**. The registration form is included with this letter along with a flyer. Complete all the information requested on the form and return it to the address provided. **No on-site registrations or refunds will be given. There is a \$25.00 fee for returned checks.**

I look forward to providing a great, educational experience for you. Please call or email me if you have questions at (281) 309-5049 or [jymann.davis@ag.tamu.edu](mailto:jymann.davis@ag.tamu.edu). Don't miss this great opportunity to gain the knowledge and skills to **SAVE A LIFE!**

*Sincerely,*
