

Growing Up

WILD

CHILD CARE PROVIDERS

DIRECTORS

HEAD START TEACHERS

Growing up WILD is an educational nature-based early childhood program. The curriculum teaches children to appreciate nature while learning about wildlife in Texas. The activities facilitate learning through nature play, wildlife connections, math and literacy links, music and movement, inside and outside explorations and healthy nature-themed snacks.

Through play and hands-on activities come explore a sampling of highly-engaging lessons and activities included in the curriculum guide.

Benefits of this amazing *Growing Up WILD* curriculum:

- Written for early childhood ages 3-7 (Pre K-2nd Grade)
- Features 27 field-tested, nature-based, ready-made thematic units including 400 experiences.
- TEKS Aligned | TEA Approved CPE Credits | Flexible Lesson Plans
- Builds a child's sense of wonder with science, art, music, health and safety, nutrition, reading, math and vocabulary activities.
- Supports developmentally appropriate learning in all areas with social, emotional, physical and cognitive domains.
- Correlates to Head Start domains, National Association for the Education of Young Children (NAEYC) standards and the USDA's MyPlate guidelines for child nutrition.

Award winning program of the 2011 Renewable Natural Resource Foundation Excellence in Journalism Award and the 2009 Family Choice Award.

**DON'T MISS THIS FUN AND EXCITING TRAINING TAUGHT BY STATE
RECOGNIZED FACILITATORS OF THE YEAR.**

Hello Child Care Providers, Directors and Head Start Teachers,

You are invited to the **Growing up WILD** training to be held Saturday, June 1, 2019 from 8:30 AM to 12 Noon at the Galveston County Texas A&M AgriLife Extension Office, 4102-B Main Street (FM 519), La Marque, Texas 77568. Growing up WILD is an educational nature-based early childhood program. The activities facilitate learning through nature play, wildlife connections, math and literacy links, music and movement, inside and outside explorations and healthy nature-themed snacks. The curriculum teaches children to appreciate nature while learning about wildlife in Texas.

For a great value of \$50.00, each participant completing the entire training receives **3.5 clock hours** of continuing education, the curriculum guide (27 tested, hands-on, classroom ready units which include 400 lessons and activities), a USB flash drive of the curriculum, recipe samples from the curriculum and training from state recognized facilitators. Completion of the class requirements include attending the entire class from beginning to end and completing and turning in the evaluations.

Certificates awarding **3.5 clock hours of credit** will be given to each participant at the conclusion of the training. **Participants must stay the entire 3.5 hours for complete credit to be given.** No one will be allowed in the training after it begins at 8:30 a.m. Registration begins at 8:00 a.m.

Registration with payment must be postmarked or received in the extension office by May 16, 2019. The registration form is included with this letter along with a flyer. Complete all the information requested on the form and return it to the address provided. **No on-site registrations or refunds will be given. There is a \$25.00 fee for returned checks.**

I look forward to providing a great, educational experience for you. Please call or email me if you have questions at (281) 309-5049 or jymann.davis@ag.tamu.edu. Don't miss this great opportunity to gain the knowledge and skills of **Growing up WILD!**

Sincerely,

*Jymann Davis, M.S., CFCS
